harshitpachori345@gmail.com | +91-9119022603 | Aligarh (UP), India

## ABOUT ME

Being a CSE undergrad, I am looking for an internship/training program in an organization where I could enhance my coding skills and get exposure to new tools and technologies, thus, bridging the gap between my academic skills and practical professional development besides giving some worthy input to the organization and impacting millions if not billions.

## EDUCATION

### B.Tech in Computer Science And Engineering

Aligarh College Of Engineering and Technology  
86% till now  
2020 - present
